Comments	<input type="text" value="Hello. I would like to object to this application as I feel it is not in keeping with the garden city we love. I only moved here two years ago with my young family and it is this sort of high rise land scape which we were trying to escape from. The charm of Welwyn garden city is the fact that there is so much green and all buildings are below a certain height. This appears to go against that philosophy and I feel it would have a detrimental effect on the town as a whole. [REDACTED]"/>
