<b>Comments</b>	<input type="text" value="I object to this proposed development on the grounds that it goes against the council's own limits of 5 storey buildings, these buildings are too tall. The layout is too dense with insufficient green space which goes against the ethos of the garden city. The development is excessive and too overpowering for the site, it will be an eyesore in the middle of town. The designs look like glorified tower blocks, totally out of keeping with their surroundings."/>
