Comments	<input type="text" value="The proposed buildings are too tall and the amount of proposed new residential properties for such a small area is ludicrous! There is already a strain on schools, doctors and policing and will increase crime levels more than what we are already currently seeing. This appears to be more of a money in mind type of situation rather than what would actually be good for this town. I moved here two years ago and since then on Bessemer road the amount of new build flats has quadrupled!"/>
