<b>Comments</b>	<input type="text" value="These plans are not in keeping with Welwyn Garden City at all, there are such strict conservation rules that apply to certain areas but then plans can be submitted like this that are totally out of keeping for the town as a whole. The buildings are much too tall, crammed together, all flats and too many with minimal to no green space. All WGC seem to do is build more &amp; more flats! Services are already strained, this would be an awful addition to the town."/>
