<b>Comments</b>	<input type="text" value="I would like to object to this development on the grounds of not even having enough parking in the current Xerox site let alone the proposed 0.25 spaces per household in this development. If you wish to build more houses you need to provide parking. Less people commuting into london need to be considered and people need transport. It is unacceptable to continue to build without thought for the need for cars and traffic in the community"/>
