Comments	<input "="" type="text" value="Above 5 story limit which is the councils recommendation. Looks ugly and does not fit in with the garden city.. putting grass on roofs is just pointless. We will no longer be a garden city if this keeps happening. These are all very over powering and an eye sore. Only going to decrease market value of everywhere! (i live in the new blocks and honestly there has been no proper planning at all and now they ignore our concerns and the council are having to emergency move people due to mental health reasons just for living there!)"/>
