<b>Comments</b>	<input type="text" value="The Garden City as it was known will no longer be ! more like a concrete jungle. Having lived here for over 60 years it is not a place that we knew, loved and were proud of !! There will be problems ; with doctors surgeries, hospital facilities, schools and parks for children to play in. The country already is crowded with blocks of flats which are ugly, get scruffy and a lot of problems. I am upset and disgusted at what is happening X"/>
