Comments	<input type="text" value="I'm objecting to the planned development as I feel there are not enough open green spaces or recreation areas in the development. I feel this will put a huge pressure on the green spaces in WGC. There are too many flats/stories, and not enough green spaces, schools of doctors to support this number of new residents in WGC. It will change WGC for the worse. It needs to be much more open with green spaces to stay in keeping with the WGC ethos. Please reconsider and re-apply."/>
