Comments	<input type="text" value="Buildings look and will be awful for a garden city. Living so close to the proposed site, having to listen/see and feel the affect of the proposed building works for years that it will take to develop! We havent the school space, doctors or shops/parking for you to allow 1100+ buildings, 2000+ people to suddenly move in. Its madness and greed. Getting rid of the Qe2 and then trying to move an army into WGC, have some shame ffs."/>
