<b>Comments</b>	<input type="text" value="I object because 1) the number of units will put an unfair strain on the surrounding area 2) lack of parking provision in an already stretched area 3) Lack of green space in an already crowded area 4) height of the proposed buildings not in keeping with the style of WGC 5) impact on schools, GP services etc will be too great, they are already stretched or at capacity. The quantity of units is just too great for the area proposed."/>
