<b>Comments</b>	<input type="text" value="The surplus of residents will put a huge strain on our schools and our drs surgery's. We lost our appeal when we were not offered one of our 3 schools selected and we were offered a school almost 4 miles from our home. We were told that a reasonable distance was 2 miles and it a person moved to WGC they would be offered the school we wanted if there wasn't a school within a reasonable distance. We live here. We work here. We support our town and it's businesses. This development will be appealing to the overspill of those who cannot afford london rent prices, but what about the residents of WGC? where do we come into it. We lived in a flat for 5 years to save to buy our first home in knightsfield because we love the community feel of WGC and it's family orientated offering. Sure enough after one development another will follow..."/>
