<b>Comments</b>	<input type="text" value="I was born in the QEII over 42 years ago and have lived in WGC all my life. What is being proposed is not in keeping with my town, as far as I can see it has incorrect data, oversized buildings and the proposed amount of new residents will put a huge strain on WGC as a whole. I would like my children to benefit as I have growing up in a true garden city and not this overpopulated massive eyesore that is being proposed."/>
