| <b>Comments</b>           | <input type="text" value="The buildings are not in keeping with the Garden City. Until now there has been a limit to 5 storeys on blocks of flats. The high rise buildings will spoil the whole feel of the town and the population increase will be unsustainable. The local schools, doctor's surgeries and other facilities are already under pressure or at full capacity. These planned buildings will adversely affect the lives of everyone who already lives in Welwyn Garden City and I am disgusted they have even been proposed."/> |
