Comments	<input type="text" value="I am absolutely horrified to see the proposed plans. What was a beautiful garden City, a flagship, a blueprint as to how a garden City should be, is becoming a congested, over built rat run. I cannot change the colour of my front door, add a skylight or build on more than 50% of my land, but THIS is all ok. You are setting the scene for the absolute distruction of our beautiful, historic town."/>
