Comments	<input type="text" value="I am objecting to this planning application for the below reasons: The buildings are far too tall and above Welwyn Garden City Councils own recommended limit of 5 storeys. They are NOT in keeping with Welwyn Garden City with insufficient green space. The buildings will be overpowering for the site proposed. There will be insufficient parking spaces putting pressure on surrounding areas. The negative impact of such a high number of residents has on existing infrastructure. Local Schools are already at full capacity. We are already struggling with Doctor Surgeries and the QE2 Hospital so an increase in population this big is detrimental to our beautiful Garden city."/>
