Comments	<input type="text" value="I am really shocked at the planning application. The buildings are far too high and crammed into a small space with an unacceptable level of density. The buildings are ugly looking like the old condemned council blocks from years past. There is inadequate parking provision which will put a strain on the whole town. There is lack of green spaces in the development. Whilst I appreciate the need for more housing this is an eyesore and is NOT inkeeping with a Garden City. It will be an eyesore on the landscape for years to come. So NO NO No."/>
