Comments	<input type="text" value="There is no thought about access to Doctors or schools in the area. The local schools are having to take in larger year groups already without being able to expand. Doctors have waiting lists at the current time. Parking in the area is very limited, there is no parking planed on the site. Were are over 1500 cars going to park?? As a Garden City there is a limit of 5 stores to any building, why should this therefore be allowed?? Are we no longer a Garden City??"/>
