Comments	<input type="text" value="I have lived in WGC all my life and object to the sheer number of flats which are planned for the shredded wheat site. Already, there is not enough parking, doctors' surgeries are at breaking point, our A&E has gone and we don't have room for this many people. We are a Garden City, we don't want to look like a borough of London with people crammed into high rise buildings. Please give us residents affordable, pleasant houses instead!"/>
