<b>Comments</b>	<input type="text" value="These plans for blocks of flats are not in keeping with the Garden City. There's too many, too high, the protected silos have disappeared completely. It looks like a mini Manhattan. There's not enough green space or parking areas. Have the planners considered schools, doctors surgeries? The whole idea of so many flats is completely against the Garden City image. I'm completely against the building of so many homes on this site."/>
