| <b>Comments</b>           | <input type="text" value="Having 10 storey tall buildings is an atrocity, eye sore and not in keeping with our Garden City. The charm of this Garden City is being obliterated. Proposed architecture is not in keeping with the local buildings. I am also concerned with the pressure this will place on local amenities. There are enough vacant office spaces in WGC and given the pandemic the new ways of working will not necessarily require office space."/> |
