Comments	<input type="text" value="I am all for developing this area but * The density and height of these buildings is total out of scale and proportion to Welwyn Garden City. * absolutely Insufficient parking spaces puts pressure on surrounding areas. * The negative impact of such a high number of residents has on the existing infrastructure * Local schools are already at their full capacity. *Trains to London on normal days are not coping with the high demand as it is. *not enough green areas within the project and not keeping with the Garden City nature."/>
