<b>Comments</b>	<input type="text" value="Dramatic increase in population without any compensation for local services (e.g. trains, schools, parking etc) which will become completely overrun and oversubscribed. The height of the buildings will be a blight on the town (exceeding the council's own recommended limit of 5 storeys) which is already becoming overrun with blocks of flats and completely goes against the 'marriage of town and country' ethos that the town was founded on."/>
