<b>Comments</b>	<input type="text" value="I object to the proposed plans as I believe that the buildings are too high, the density of new housing is too great whilst the provision for parking and green spaces is too low. I also believe that the whole development will greatly increase the traffic and congestion on the surrounding roads and wonder where the new residents will be able to access services such as healthcare and schooling as no provision or thought appears to have been made regarding these services."/>
