Comments	<input type="text" value="Buildings are much too tall and are above the Council's own recommended limit of 5 storeys. They are completely out of keeping with a garden city, out of keeping with Welwyn Garden City. Far too overpowering for the site. Way too high density and will have a negative impact on the town and area . There is not the infrastructure for this, the parking is not sufficient, doctors, dentist and schools are already full."/>
