Comments	<input type="text" value="Develop it for the people of WGC, a leisure complex / open space for residents. We do not want towers of flats. Council need to build Council homes and stop selling them, and what about schools, doctors and hospitals, you want to pack more people in but don't supply the infrastructure to support this. It's not what's best for Welwyn Garden City it's all about money making, with no regards or care for the people of Welwyn Garden City, who make this town what it is."/>
