Comments	<input type="text" value="Welwyn Garden City is a garden city and i feel that this development will take away a lot of the character of the town. The infrastructure is not there too. We have no general hospital, schools and doctors are not coping and the development will create massjve volumes of traffic. I have lived in wgc since birth and seen a lot of changes. This proposal to build more dwellings will ruin the town. Please do not let it go ahead."/>
