Comments	<input type="text" value="I feel shocked that in our lovely town such a development have been put forward as it is not in keeping with what is in town at the moment and would not be in keeping at all ..It is the height that concerned by ,this is not acceptable ..In the application details it was no where the height now presented to us the residents of wgc . I was born in wgc and so was my husband and we have 4 children all living in wgc . Ebenezer Howard would be shocked by this happening here."/>
