<b>Comments</b>	<input type="text" value="The buildings proposed are much too high and are not in keeping with WGC it looks ugly no green space. There is not the infrastructure in the area to cope with the increase in population this will cause. Ebemezer Howard built WGC to be a Garden City with gardens and green space not high rise concrete blocks. If this goes through it will ruin WGC it will become like outer London which residents do not want."/>
