Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="This application goes against the WGC ethos of a Garden City! The height of these buildings will be an eye saw to all in the local area. Taking away residents privacy with them overlooking people's properties! Traffic will be affected on Broadwater water Rd, making it more congested. The height of these buildings will affect peoples light. Local amenities will be swamped with 4000 New Residents!!"/>
