Type	<input type="text" value="neighbour"/>
Comments	<input (5="" 300k+="" a="" and="" anyone="" area,="" buildings="" car="" car".="" development,="" do="" due="" facilities."="" flat?="" floors="" green="" has="" height="" house="" i="" in="" increasing="" know="" location="" max.)="" need="" not="" number="" of="" on="" or="" other="" parking="" residents="" restrict="" spaces="" spent="" strongly="" suggest="" the="" their="" to="" type="text" value="As many others mentioned, this is strictly against the spirit of a garden city. The development already in progress provide base for creating overcrowded community with potential for antisocial behavior, where the proposed extension just escalates the problem exponentially. I am not against a development in this area and actually welcome that, but simple logic should be applied covering parking spaces, play areas, road capacity, supporting facilities etc.and not follow a marketing non sense => " wgc="" whilst="" who="" will="" without="" would="" you=""/>
