Comments	<input type="text" value="There are too many homes crammed together, children and adults have no space and be on top of each other.Take a look at what happened to Graham Park Hendon area.Going back to the old days when they had to pull down the large blocks because of disease. It is not as if there is a river or decent walking place for this many people. This will cause illness and we have no doctors or hospitals already. A disaster waiting to happen"/>
