Comments	Thank you for consulting The Gardens Trust of which HGT is a member. We note that no justification for the works proposed is included with the application and advice has not been sought beforehand from WJHBC. We are concerned at the loss of trees in this area of Welwyn Garden City and historic Sherrardspark Wood. We would not have objections, especially to the felling of the cedar, only if WHBC is satisfied that the work is necessary and that felling/ pruning is the only solution.
