Comments	<input type="text" value="I agree with the point made by Herts Highways that any vehicles associated with the construction should be parked within the site, as well as containing all materials on site also. Campus West car park is a short walk away should construction workers require further parking, as the same would apply to any vehicles over the amount that is planned to be contained on site e.g. if built and one property has many multiple vehicles or visitors etc. The road has a single yellow line Monday to Saturday 8am to 6pm, so vehicles cannot ordinarily be permitted to park on the highway during those hours. Campus West has charging applying Mon-Sat 7am-6pm, Sundays 10am-5pm."/>
