Comments	<input type="text" value="I find it worrying that a heating system of such volume has not warranted notifying all local residents in Scholars Mews, Densley Close, Roundwood Drive and Bridge Road. Another example of the council attempting to obtain planning permission by not telling anyone until it is too late. The opening times of the Campus West includes late nights and weekends. This is a residential and conservation area. Excessive noise will disturb the local wildlife as well as disrupt the lives of local residents and their ability to enjoy time in their gardens. I request noise levels also be assessed from Densley Close."/>
