Comments	<input type="text" value="I strongly object to the erection of a deck n the Campus West car park. I do not think it is in keeping with the centre of our garden city. There us plenty of multi-storey parking adjacent to the Howard Centre and no fuurther high rise parking is needed. It is never a full car park as it is and neither are any of the other three main very large car parks in the town so I feel that yet another high rise car park is very unwanted and unnecessary. Please listen to the local people's feelings and wishes"/>
