Comments	<input type="text" value="This is the wrong place for a multi-storey car park in the town - there needs to be one in the long term car park by the station which gives good parking for both shoppers and commuters (and probably some housing could go in there). Alternatively, develop car parks by Waitrose. The Campus should be left untouched and that corner does not warrant a multi-storey. It's just fine for Campus users and visitors to Sherrardswood. My particular objection: - intrusion into skyline - increasing traffic around the already busy Campus area - it's the wrong location for the town centre. - displacement of traffic for users of Sherrardswood. Parkway and Campus is a fabulous aspect - don't ruin it."/>
