This enables families on cycles to access Campus West and the Library. We cannot see that this access is maintained in the plans shown and it appears people on cycles will have to cycle through the new car park instead. If the access is via the new car park, please can a segregated and safe route be added to avoid this? 2) Link to Oaklands college and WHBC offices: If we are correct that safe cycling access is blocked as noted in 1, then one option should be a new safe cycle route around the rear of the Campus West complex to the cycle parking at the Library but also extending under the " we="" white=""/>
