Comments	<input type="text" value="I object to this plan because it will have a serious detrimental impact on the Residents of Woodside House and the neighbouring housing in Pentley Park. I believe the parking facilities are currently more than adequate. The only improvement I would wish to see would be reintroducing entry and exit barriers. At the moment, there is nothing to stop anti social behaviour taking place at night by irresponsible and dangerous driving which is having a significant effect on the mental health and well-being of all Residents in the immediate vicinity. The upheaval caused by this plan would also have a detrimental impact on access to Campus West which is one of only a few local leisure attractions. In my opinion business will be harmed. Anyone visiting these facilities will seek to park as close as they can, especially the disabled and elderly. This will cause unacceptable disruption to the surrounding roads and Residents."/>
