<b>Comments</b>	<input type="text" value="There is no need for more parking in the garden city. The council should be promoting environmentally friendly policies not bringing more car traffic into the centre. The car park is too close to Woodside House and there is insufficient planting to provide proper screening for nearby residents. Air pollution, and noise and light pollution at night will be a problem. The lighting will be too dominant and will impact on the street scene at night. Hours of opening should be limited to minimise risk of disturbances to neighbours from anti-social behaviour. The proposal is not in keeping with the ethos of Welwyn Garden City."/>
