Comments	<input type="text" value="WGC will be overcrowded. It will be insufficient outdoor space and car parking. No infrastructure improvements were planned/promised. Also, it will have negative visual impact on neighbouring area as the proposal will not blend with current building. Highways upgrades unclear. It will jeopardises Garden City status (application for World Heritage Status would be jeopardised. Loss of potential employment and tourism) Note that neighbouring allotments association was not consulted. In addition, this proposal has wrong house mix (not enough 3 and 4 bedroom properties proposed) and absence of social housing."/>
