

Comment for planning application 6/2021/2207/MAJ

Application Number	<input type="text" value="6/2021/2207/MAJ"/>
Location	<input type="text" value="Campus West The Campus Welwyn Garden City AL8 6BX"/>
Proposal	<input type="text" value="Expansion and adaptation of existing car park, including construction of new single suspended level parking deck, reorganisation of road and pavement arrangement, introduction of additional cycle parking, junction improvements and associated landscaping improvements"/>
Case Officer	<input type="text" value="Mr Raymond Lee"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Not suitable for two storey car Not enough cladding to cut out noise and too close to Woodside House will disturb the elderly residents. Not enough safety measures in place for those many walkers who start their walks for Sherrard Park woods. This includes the Herts Health Walks including those for the disabled. Too far from the town centre for the elderly and infirmed. Will greatly increase the traffic flow around the campus which has already increased due to the Broadwater works and the single lane entry over Hunters Bridge traffic now being directed to Valley Road and Parkway. Will reduce footfall to town as it is too far from the town centre for the elderly and infirm and also families with young children. The houses planned for teh East Car Park and the Cherry Tree car park must be built in the large villages south of the borough as instructed by the Planning Director. The villages have the facilities which we do not have in Welwyn Garden City ,"/>
