<b>Comments</b>	<input type="text" value="There should be an irrevocable condition to limit the car park's height to two storeys; The top deck lighting is too prominent. We would prefer lower level, dimmed lighting; The trees along the Ayot Greenway do not provide an adequate screen for neighbours, particularly in winter; There is insufficient cladding on the northern and western elevations to reduce noise, light and air pollution; The deck level is too close to Woodside House and only partly shielded by a thin line of conifers; There are inadequate security measures planned. There are no barriers to control entry and exit which will encourage racing around the decks at night; 24 hour opening 7 days a week is inappropriate for a car park located so close to a residential area."/>
