Dear Mr Lee

I am writing to object to the proposed carpark at Campus West for the following reasons;

The lighting on the top deck is too prominent.

The trees and shrubs along Ayot Greenway provide inadequate visual screening for local residents.

There is insufficient cladding on the northeast elevation to reduce noise, light and air pollution.

There is insufficient cladding on the western elevation.

The deck level comes too close to Woodside House.

The carpark has inadequate security measures.

The carpark should not be open 24 x 7 hours per week.

Yours sincerely
