

Comment for planning application 6/2021/2207/MAJ

Application Number	<input type="text" value="6/2021/2207/MAJ"/>
Location	<input type="text" value="Campus West The Campus Welwyn Garden City AL8 6BX"/>
Proposal	<input type="text" value="Expansion and adaptation of existing car park, including construction of new single suspended level parking deck, reorganisation of road and pavement arrangement, introduction of additional cycle parking, junction improvements and associated landscaping improvements"/>
Case Officer	<input type="text" value="Mr Raymond Lee"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Comment"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="[I could not find my previous comment so this is a resubmission] The lighting on the top deck is too invasive - needs low level lighting, dimmed at all times. Trees and shrubs along Ayot Greenway provide inadequate visual screening . The tarmac surface should be moved away to allow planting of additional evergreen trees and shrubs. More cladding required on northern elevation to reduce noise, light and air pollution. Should create a solid wall extending 3 metres above the top deck surface level preventing light, noise and air pollution from impacting on Woodside House. The deck level is too close to Woodside House Western side of the deck should be moved a further 5 metres away. More security measures required : there should be CCTV + barriers to control access . There should be a restrictive covenant prohibiting future expansion. I am not convinced of the business case & note that information has still not been provided to Residents!"/>
