

Comment for planning application 6/2021/2207/MAJ

Application Number	<input type="text" value="6/2021/2207/MAJ"/>
Location	<input type="text" value="Campus West The Campus Welwyn Garden City AL8 6BX"/>
Proposal	<input type="text" value="Expansion and adaptation of existing car park, including construction of new single suspended level parking deck, reorganisation of road and pavement arrangement, introduction of additional cycle parking, junction improvements and associated landscaping improvements"/>
Case Officer	<input type="text" value="Mr Raymond Lee"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="New lighting proposals: The plans do not address the problem of light pollution adequately. The upper deck lights should be set into the structure rather than being pole lights. Also the cladding on the outside facing residential areas should be designed to minimise light leakage. This has not happened. The curfew period in the application is not specified so meaningful assessment of the new proposals is not possible."/>
