

Consultee Comment for planning application 6/2021/3071/EMT

Application Number	<input type="text" value="6/2021/3071/EMT"/>
Location	<input type="text" value="76 Brockwood Lane, Welwyn Garden City, AL8 7BQ"/>
Proposal	<input type="text" value="Partial removal of an existing mixed hedge to the front of the boundary, replaced by a new native beech hedge. The proposal for a new native beech hedge will help to re-establish the local vernacular of 6-foot clipped hedging. Replacement of 18m length of existing mixed hedge along the Brockwood Lane boundary of property, replaced with 18m length Fagus sylvatica (beech) hedging at 1.6-1.8m height, to be planted in two staggered rows, rows 30mm apart and plants within rows 400mm apart. 4 plants per meter. Planting is to be carried out November up to March."/>
Case Officer	<input type="text" value="Mr Oliver Waring"/>
Organisation	<input type="text" value="The Gardens Trust"/>
Name	<input type="text" value="Alison Allighan"/>
Address	<input type="text" value="70 Cowcross Street London EC1M 6EJ"/>
Type of Comment	<input type="text" value="Comment"/>
Type	<input type="text"/>
Comments	<input type="text" value="Thank you for consulting The Gardens Trust, of which HGT is a member. The hedge proposed to be replaced is not entirely on the line of the 19th century lane bounding Sherrardspark wood to the south, so is unlikely to be of great historic interest. The mixed hedge at this point forms the transition zone from the town to the more rural nature of the lane to the west. Although this hedge may have ecological value, on which we cannot comment, we have no objections on historic grounds to the proposal."/>
